Note :-

1. Syllabus for the UT-I will be posted in the whatsapp group by the respective class teachers.
2. The PDF of question paper will be posted in the student class group 10 minutes before going ahead with the examination.
3. The students need to share their answer sheets in PDF in Google class room in the aforesaid time mentioned above. Late submission will not be entertained in any case.
4. For proper charge and solace, the school is going to implement and execute Google classroom for all the forthcoming assessments.
5. Classes X and XII assessment will be focusing more on the modified pattern introduced by the Board for the session 2021-22. Refer circular no. 31/2021 dated 22.04.2021.
6. The Students have to write/solve the questions in loose sheets with their Name, Class, Section, Subject and Date written on each page. Questions are not to be written. Put the correct question number to solve the question paper.
8. Regular online classes will continue as usual after the assessment is over.
